

# **MSHS Summer School Information (2024)**

Enrollment and payment will need to be completed online via the Mahomet-Seymour High School Web Store: <https://mahomet.revtrak.net/hs-menu/>

**Registration will open March 21, 2024 at 8:00 am.**

**Registration will close on May 1 for credit bearing classes  
and May 24 for Credit Recovery classes.**

## **General Information**

### **Fee Waivers**

Students who qualify for a free lunch waiver are also eligible for a Summer School fee waiver. Course registration will still take place online but the box must be checked on the registration to indicate that you qualify for the waiver.

### **Attendance Policy**

Because of the compact and accelerated nature of summer school classes, it is vital that students attend every day.

- Only one absence per session is allowed. Any student who is absent twice within a session, regardless of the reason, will forfeit the credit and fees and be dismissed from the class.
- Tardies (10 minutes or less) – 3 tardies will count as ½ day absence
- Late (more than 10 minutes) – will count as ½ day absence

### **Course Availability**

All courses require a sufficient number of student registrants. If there is not sufficient interest in a particular course or a teacher cannot be hired then the course will not be provided during summer school.

### **Course Enrollment**

There will be a cap of 25 students per class (depending on the class) on a first-come-first-served basis. Once a course has reached maximum enrollment a waiting list will then be started. Payment secures your place in a course.

### **Refunds**

All fees will be refunded if a course is cancelled due to insufficient enrollment or a teacher cannot be hired. One-half the tuition will be refunded if a student cancels before May 31. There will be no full refunds.

### **Transportation**

Transportation may be requested for students. Please be sure to mark the appropriate box when registering online. Bussing information will be provided prior to the start of summer school. It is critical that students who request bus service be at their bus stop on time for pick-up and ride on a daily basis.

## Course Guide

**Driver's Ed Classroom:** Driver Education is designed to help a student develop an awareness, appreciation, and knowledge of traffic safety. ## Session 1 classes contd.

**Civics:** Credit: 0.5 Civics is a required course for graduation and covers several aspects of government. Civics will explore the origins of the American democratic system while looking at how the constitution embodies the values and purposes set up by the founding fathers. The structure and function of the government will be analyzed on a national, state, and local level while showing how each level is interrelated. This will launch the class into discussing how constitutional values relate to other nations and world affairs. Throughout the course, we will focus on how the people play an active role in government and the importance each citizen contributes to society. The U.S. Constitution exam and an Illinois Constitution exam will be administered in Civics.

**Dates:** May 31– June 21                      **Meets:** Monday- Friday                      **Time:** 7:45 a.m. – 12:15 p.m.

**Fee:** \$180

**Credit Recovery Courses:** Credit Recovery Courses are for students who have not passed a course in a previous attempt. Upon registering, students will need to work with their guidance counselor to determine the exact credit recovery course they will need to take. Credit recovery courses will primarily be offered through Edmentum with the exception of English and Civics. Those courses will be offered with a classroom teacher.
