

## FREE AUTISM TRAINING WEBSITES

### **Autism Internet Modules - [www.autisminternetmodules.org](http://www.autisminternetmodules.org)**

The Autism Internet Modules were developed with one aim in mind: to make comprehensive, up-to-date, and usable information on autism accessible and applicable to educators, other professionals, and families who support individuals with autism spectrum disorders (ASD). Written by experts from across the U.S., all online modules are free, and are designed to promote understanding of, respect for, and equality of persons with ASD.

### **Autism Certification Center**

<https://autismcertificationcenter.org/>

ASD Strategies in Action gives families and service providers tools to ensure they are equipped to effectively care for, support, educate, employ, or work with individuals on the autism spectrum from early childhood to young adulthood.

**Autism Speaks - <https://www.autismspeaks.org/>** A large amount of information related to autism can be found on this website. The Autism Tool Kits are found under the Parent Tab.

**Autism Navigator - <https://autismnavigator.com/>** A unique collection of web-based tools and courses that uses extensive video footage to bridge the gap between science and community practice.

### **The National Professional Development Center**

<https://autismpdc.fpg.unc.edu/node/1>

NPDC has worked to develop free professional resources for teachers, therapists, and technical assistance providers who work with individuals with ASD. Resources include detailed information on how to plan, implement and monitor specific evidence-based practices.
